## Russwood Oak Tables & matching Chairs & Benches are a beautiful way to complement your Russwood Oak Flooring

Tables are available in eleven different styles with two different styles of benches and chairs. Choose from unfinished, or finished with an Osmo Polyx® Hardwax-Oil. Our bespoke tables are manufactured from the same oak as our flooring, allowing colours and styles to be matched or contrasted as desired.

### Maintenance

Tables and chairs can be easily maintained by cleaning with a damp cloth. Regular maintenance will ensure you get the best out of your table and chairs. Osmo Wash and Care is recommended for everyday cleaning. Osmo Polyx® Hardwax-oil can be used to refresh the surface of your table.
